

New Hampshire Medical Society

# Protecting Patient Health Information

## Red Flag Rules & HIPAA Privacy

Tuesday, June 2, 1:30 – 5:00 p.m.  
Holiday Inn, Concord, NH

*Red Flag Rules are effective: May 1, 2009 !*

Patient privacy and medical identity theft are important aspects of the current health care landscape. Recent federal legislative changes impact patients and health care providers. Please join us for an informative program to learn how to incorporate the required policies and changes in your medical office to protect your patients and your practice.
